SUMMARY

DIGITAL FOR PLANET-D4P and the project partners are processing your data in compliance with the GDPR in the context of the COROB project to:

- register you to the COROB events and to populate participants lists,
- where applicable, set up networking activities for event participants,
- inform you about COROB activities,
- provide access to resources,
- promote and document the COROB activities,
- produce aggregated statistics

Your data will be kept no longer than five years after the completion of the project. You might be photographed or recorded for documentation and promotional purposes on the project and project partners web and social media handles. Data transfers outside the EU might happen, including to project partners located outside the EU, who will comply with the GDPR and to third parties. You have a right to view personal data, to rectification and, in some circumstances, to restriction of processing and to object. Contact info@corob-project.eu.

INTRODUCTION

You are invited to participate and contribute to the activities of the COROB project that is co-funded by the European Commission under the Horizon Europe Programme.

Your participation is voluntary, you are free to withdraw at any time before or during the activities you are involved in by contacting the people mentioned in the current form.

Before you decide whether or not to take part, please take some time to read the following information carefully. Please, feel free to ask questions if more information or clarifications are needed using the contact details in the last section of this sheet.

COROB MAIN SCOPE

COROB proposes the development of a smart cooperative multi-robotic system for flexible and reconfigurable manufacturing in arc welding processes to cover HMLV industrial production needs in the current technological context of Industry 5.0.

COROB PARTNERS

The COROB consortium consists of nine partners:

- **LORTEK S COOP** – Coordinator, Spain
- **PANEPISTIMIO PATRON** – Partner, Greece
- **NETCOMPANY S.A.** – Partner, Luxembourg
- **DGH ROBOTICA, AUTOMATIZACION Y MANTENIMIENTO INDUSTRIAL SA** – Partner, Spain
- **TECHNISCHE UNIVERSITEIT EINDHOVEN** – Partner, Netherlands
- **FUNDINGBOX ACCELERATOR SP ZOO** – Partner, Poland
- **FUNDINGBOX COMMUNITIES SL** – Third Party, Spain
- **GIZELIS ROBOTICS ANONYMI VIOMICHANIKI EMPORIKI ETAIREIA** – Partner, Greece
- **DIGITAL FOR PLANET-D4P** – Associated Partner, Switzerland

PROCESSING OF PERSONAL DATA

Your personal data will be processed in compliance with Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation).

The legal basis for the processing activity is Article 5(1)(d) of Regulation EU 2018/1725 based on your explicit consent for your non-mandatory personal data indicated below.

The data controller of the processing operation is DIGITAL FOR PLANET-D4P. The event registration platform used is Tito (<https://ti.to>), which is GDPR-compliant and has its own privacy policy, available at this URL: <https://ti.to/privacy>.
